Seven personal best achieved this month from some of new and newish members
Simon Frost, Justin Frost, Aaron Hall, Claire Jones, Don Rigby and not such new
members Andrew Reed and Peter Riou. Congratulations to you all.

Seasons bests this month from Peter Carpenter, Ian Crossley, Dave Fox,
Neil Holmes, Mike Jayes, Judith O'Carroll, Paul Ross Helen Sergeant and Ken Summers.
I hope this is a good omen for the summer series.

For the new Summer series I may try something different. So that the faster runners in
in the group do not have to wait so long at the start, I will have two phases of handicaps
i.e. two races starting together and two finishes. I will then integrate the handicap times
to give me a finishing points system. The points will not be ready on the night but times
will. If any one can see a problem with this please let me know before the first handicap.
